# WELCOME

Welcome to SPYC!

We're excited that you and your group have chosen to spend a week out of your summer to attend SPYC. It is our prayer that your experience with us this summer is life-changing for your students, adults and even yourself. We are grateful to get to be a part of your student ministry, and desire to provide you with an environment in which you will have opportunities to build relationships with your students.

This packet was put together to provide you with all of the information you need to know prior to coming to SPYC. Be sure to read all of the information inside and pass along any of it that students will need to know as well. Along with this packet, you will also find additional forms and a parents packet. Download, print and complete all necessary forms and turn them in as instructed. Please make parents aware of the information in the parent packet either by downloading it and distributing them, or by directing the parents to the website to access the information themselves.

*\*\*Please let us know if you have any questions. You can contact us at 806.983.3954 or at [camps@pbacamp.org](mailto:camps@pbacamp.org).\*\**

# CAMP THEME

## LISTEN UP

Hearing is a precious gift of human life. Music can entertain or heal. A word of encouragement heard at the right moment can change the trajectory of a person's life. However, there is more to hearing than sound. Listening may be a much more crucial task. How can we hear God in a world full of sound? Join us this summer as we learn how to rise above the noise and listen up.

### DAY 1 | WHEN GOD SPEAKS, THINGS HAPPEN!

God created all of reality by speaking it into existence. Even reality listens to and obeys God. This session will focus on the first of the three points we will instill in our kids this week: We can hear God's voice through Scripture. God reveals Himself through the living Word. It contains everything we need for faith and life. When we responsibly interpret God's Word, we can know who God is and what He wants for our lives.

**Main Text:** 2 Timothy 3:16-17

**Reference Texts:** Isaiah 55:10-11, Hebrews 4:12, Psalm 19:7-10

### DAY 2 | WHEN GOD SPEAKS, DO WE LISTEN?

This session will focus on the second of the three points: We can hear God's voice through other people. God uses others to speak into our lives. Whether our pastor, parent, or friend, God has used His followers to speak truth into the lives of those around them. *However*, the message we receive from others **MUST** be confirmed by Scripture. God will not speak to us through others and contradict His Word. If what someone says is contrary to God's Word, it was not God speaking.

**Main Text:** James 1:22

**Reference Texts:** Psalm 119:137-138, John 8:44, Hebrews 10:24-25

### DAY 3 | NEW PHONE. WHO DIS?

This session will focus on the final of the three points we will instill in our kids this week: We can hear God's voice for ourselves. God still communicates to humans. We may not hear him out loud, but He still speaks to us personally. *However*, the message we hear from God **MUST** be confirmed by Scripture. God will not speak to us through others and contradict His Word. If what we hear is contrary to God's Word, it was not God speaking.

**Main Text:** Romans 5:1-2

**Reference Texts:** John 14:8-11, Romans 5:8-9, 2 Corinthians 5:17-21
